Customer Reviews

Ok at best, I found most of the tales boring at best. If you are looking for titillation and spice you are better off looking elsewhere.

I thought this collection was lame. Terrible writing, definitely look elsewhere. 78 stories doesn't make up for them being rubbish.

I didn't like the way you make it seem so easy for women to leave their men for another women.

not good

Too much not for me

Poorly written.
