Extinction Aftermath (Extinction Cycle Book 6)

Synopsis

Team Ghost returns for the thrilling sixth installment of the bestselling, award-winning & top-rated Extinction Cycle series. Start with Book 1 for a special price here. amzn.to/1V1RCuMA new monster emerges... Newly christened as the leader of Delta Force Team Ghost, Master Sergeant Joe Fitzpatrick arrives in Normandy over seventy years after Allied Forces joined the fight against the Nazis. The war to free survivors and eradicate pockets of adult Variants and their offspring is underway by the Unified European Forces. But as the troops push East, rumors of a new type of monster spread through the ranks... Fitz and his new team quickly realize the fight for Europe might be harder than anyone ever imagined. They thought the war for America was over, but the war, for some, has just begun... Captain Reed Beckham and Dr. Kate Lovato are settling into a new life on Plum Island. Across the country, the adult Variants have all been wiped out and the juveniles are on the run. But survivors soon realize there are other monsters left at home. And they may be human.
