Customer Reviews

I bought this for my mother after reading many positive reviews about it online. To find a Spanish

Edition and receive it in perfect condition was satisfaction enough, but to hear her thanks and praise after finishing it truly made it worth the purchase. A must-have for any library or collection.

He recibido el libro antes de la fecha previsto y en buen estado. Por ello, estoy satisfecho. El contenido del libro es MUY valioso. Conviene leerlo con atención y resulta una lectura que recomiendo encarecidamente. Lo malo es que el material del libro o de su tapa no son muy buenos. Los tratos bien pero ya se despegaba un poco la cobertura de plástico de la tapa.

Easy to read and very helpful. I should have read this book before. This book helps many people. I am very satisfied.
