Forever An Ex: A Novel

Synopsis

Three Los Angeles women whoâ€™ve helped each other overcome heartbreak are reunited eight years later when their troublesome exes come back into the picture in this follow up to Victoria Christopher Murrayâ€™s bestselling novel *The Ex Files*. Sheridan, Kendall, and Asia first bonded when they met seven years ago at a church prayer support group and now, their friendship has blossomed into a strong sisterhood. They’ve helped each other through the tragedies of their breakups and together, they’ve celebrated their triumphs. But now, their exes are back, wreaking havoc on lives they’ve work so hard to rebuild. Sheridan has found love again after her ex-husband left her for a man. But old wounds are reopened when her ex-husband appears with his fiancée—a woman! And all of Sheridan’s insecurities and doubts come rushing back. Kendall’s former husband is now married to Kendall’s sister, Sabrina. And though Kendall has refused to interact with either one in the last seven years, she’s forced to reunite with Sabrina when their father is diagnosed with cancer. Asia has done her best to move away from her married boyfriend, a former star with the LA Lakers. But when they share a kiss, old desires are rekindled and Asia decides that it’s time for her and Bobby Johnson to get back together again. With her trademark writing that “has the kind of momentum that prompts you to elbow disbelief aside and flip the pages in horrified enjoyment” • (The Washington Post), *Forever an Ex* is Murray’s best novel yet.

Sheridan Goodman, Kendall Stewart, and Asia Ingram are being reunited seven years later to give each other encouragement in facing tribulations with their exes returning to cause havoc in their lives once again. Asia Ingram is having problems with Bobby back in her life trying to convince her to let their daughter Angel move to New York to attend the School of the Performing Arts. The situation becomes ultimately out of control when Asia and Bobby, a married basketball player married to Caroline, decide to reignite their love affair. Caroline warns Asia to leave her husband alone or suffer the consequences that come with it, but Asia chooses to ignore the threat causing devastating embarrassment to her daughter Angel. Is Asia capable of repairing the relationship with her daughter Angel or will she lose her forever? Sheridan Goodman loves the fact her children are adults, Christopher living on his own and Tori living on campus at Hampton University, leaving her and husband Brock an empty house to do as they wish. When Sheridan receives a call from Harmony, the fiancée of her ex-husband Quentin who left Sheridan for a pro golfer named Jeff, Brock advises Sheridan not to meet with Harmony because of the ethical issues involved. Going against Brock's advice, Sheridan secretly meets with Harmony to answer questions regarding Quentin's past fidelity. Sheridan informs Harmony that she believes Quentin loves her and will be faithful in their marriage. Later in the week, Sheridan observes Quentin and Jeff together at a romantic restaurant and struggles with the moral issues of informing Harmony of the encounter. Kendall Stewart has moved back to Malibu with the help of her ex-husband Anthony's real estate agent brother Dante Angelo Stewart into a beachside cottage.
