Creators Song

Synopsis

Creator's Song, Ancient Voices Speak is a beautiful and uplifting daily gift of prayer and messages brought forth in a pre-dawn ceremony each day by Eva Black Tail Swan, a Cherokee Medicine Elder. This book is more than a daily message from the Creator... it is a path to know who you really are by spending time with a medicine elder. This book is such a gift as this work can be done in the comfort of your own home. "In this book you'll find carefully chosen selections of these communications. Read them one at a time and savor them, meditate on them, perhaps as a daily morning ritual. Another use is when you're looking for guidance, pick up the book, open it at random and read the message. Take your time to absorb the message, just as Nature takes her time, and you'll discover other layers of meaning. I'm sure you'll find years of inspiration and enjoyment from these readings and will find yourself seeing, hearing, and feeling the world in which we live in an entirely fresh way each and every day." --Dr. Steven Farmer Author of Earth Magic, Animal Spirit Guides and Sacred Ceremony "Eva Black Tail Swan gives the reader an amazing gift with each of her Creator's Song messages. Eva offers the reader the opportunity to feel the wind, see the moon light, smell the sage, taste the cool waters and hear the voices of the Elders as she generously shares each message" --Marti, Colorado Eva Black Tail Swan has taught Native American Spirituality for more than thirty years. Her Native American ancestry is Cherokee and Salinan. Many Elders have called Eva "a Master of the Medicine Tools", for she has been making (and teaching others to make their own) Medicine Tools for many years. She walks an old and traditional path when it comes to Medicine Work, and teaches from Native American tradition as well. To find out more, please visit: www.blacktailswan.net

Customer Reviews

I have been receiving Creator's Song from Eva Black Tail Swan for years now. The messages are pure and lead to thought provoking, soul searching work in your every day life. The messages will speak to you as if they speak to what you are going through that specific day or time. These messages are life transforming if you allow them to be; meditate on them, and let them seep into your being. This book is truly a gift, and a great gift for that person in your life who is searching for their path.

I open this book randomly and receive the perfect message from spirit. The energy of this book is healing, loving and peaceful.

This is a beautiful book and as you read it you feel as if you are receiving a Native American Blessing and healing. It is so soothing to the soul and it feels like a sacred book from your own personal Cherokee Medicine Woman! I have given several as gifts.
