Synopsis

Yehuda Berg's new book puts power back in the hands of the people. Taking into account the urgency of our times, Berg used the immediacy of social networking to engage the public in this book's creation, helping draft a new reality where everyone benefits. Each section focuses on a topic of concern to global citizens, from the environment and healthcare to the ongoing financial crisis. A special section shows how readers can use the principles of Kabbalah to effect positive change in themselves and in the world.
