Unicorn: Horn Of Submission (Unicorn Pleasures Book 3)

Synopsis

Just when Serena begins to adopt her new family – both her unicorn masters and her fellow servants – dangerous events are in motion. Learning to read her mystical beast lover's thoughts while she serves with her body is hard enough even with the guidance of a strong, older woman. But then a mysterious dark unicorn visits the tribe and announces they must travel to the unicorn home for a great Gathering. Serena finds herself the subject of dark magic that puts her in the hands of the new stranger and his brutish, lusty servants who need to be serviced. She'll have to make allies, use her smarts and her body to save herself and her friends before she's offered up as a ceremonial sacrifice.

Customer Reviews

Well, now that she Selena is f..k..g every creature in sight. We've got Unicorns, goblins, elves, centaurs and so much more. Put in some black magic. This can't be the end as we need to find out who did the black magic on Serena and Mo.

Disappointing after first in series. Goes on and on, not a lot of logic, sexy scenes stuck in almost as afterthoughts. With lots of editing, restructuring, could be worth reading.
