Synopsis

Beast, A Dark Werewolf Fairytale Romance

Trapped in a nightmare filled with lust and betrayal, thereâ€™s a beast and heâ€™s waiting for her.â€œDonâ€™t bother. Itâ€™s locked. Thereâ€™s no way out of here. Even if you did get out, weâ€™re surrounded by the forest. Please, donâ€™t run, Belle. Donâ€™t make me set the dogs free.â€•The drug on my lips linger, and the memory of my freedom slips further away while he drones. I thought I was free, hitchhiking along the Midnight Mountain Range, running from those I loved, and their betrayal. Now Iâ€™m trapped in a nightmare. One filled with betrayal, lust and a beast. Thatâ€™s his story, about a beast thatâ€™s waiting for me. I try not to listen and plan my escape. But the savage howls from somewhere underneath this room makes me whimper in fear. Through the grimy windows, endless pine trees are all I can see.â€œHeâ€™s going to fall in love with you, I just know he will,â€• Mark says. The beast below isnâ€™t the only one in this house. Iâ€™ve fought to survive before and Iâ€™ll fight again. Maybe this time, Iâ€™ll win.

Customer Reviews

From the very first sentence I was swept away and completely mesmerized. A modern, dark retelling of Beauty and the Beast, the words flowed over the page like a classic fairy tale, with just

enough nuances to keep you in the present. The amount of detail put into every single sentence blew me away. I couldn't stop reading and actually began reading quicker and quicker until I was devouring this story sliding my finger over my kindle screen as fast as I could. This retelling is nothing like the original. Keeping enough elements for you to know it was Beauty and the Beast, Beast takes on a life of it's own breathing new possibilities into an old tale. Anna wakes up confused and in an unknown place. Confronted by her kidnapper that called her by the name of Belle, she's told a story she doesn't understand and given very little time to acclimate herself to what is to come. "I wasn't that girl who cried, or played dumb, leaving others to pave their way in this world. I was the loner, the soldier. I was the survivor. But as the green sea wavered outside of the window, I realized I was none of those things now. I was captive." The floorboards shake with roaring, terrifying her. Her captor takes her out of her room and she attempts escaping him running further into the dilapidated house. Her captor yells after her, "...Don't listen to it. Don't listen to this goddamn house." From here till the end of the book you are enraptured. There isn't one dull moment. The house begins to give up secrets and it's almost as if Anna is working through a labyrinth physically and mentally. At times thinking she's imagining another person is in the room with her touching her.
