Best Sellers Rank: #1,948 in Books (See Top 100 in Books) #4 inÂ Books > Literature & Fiction > Poetry > Women Authors

## **Customer Reviews**

5/5(I have a feeling that this will be on my top 2016 books)I kept seeing this book around, so when it was free on I decided why not try it out? I AM SO INCREDIBLY GLAD I DID! This book was incredibly powerful, it is just.... so so SO powerful. But more on that later, first here is the summary!The Princess Saves Herself in this one is divided into four separate parts, The Princess, The Damsel, The Queen and You. I don't read poetry books often, honestly, I don't like poetry all that much. The only other poetry book I read was Poisoned Apples, which like this book dealt with some heavy topics, although Poisoned Apples was more of a feminist book... I'm not entirely sure how to review poetry, so I wrote down some thoughts for each part, but first, here's the short of it!In its entirety:This book deals with some heavy topics, but they are IMPORTANT issues like anorexia, depression, and abuse just to name a few.The poetry was just so... AMAZING. I can't explain it but the way the words moved was fast paced but oh so interesting and I just could not put this book down. It was captivating and heart breaking but near the end, it became warm/had a good message.The Princess Saves Herself in this One started off very dark, and sad but near the end things get better. Like I said, the message was FANTASTIC (I think I'm going to buy it!)Very short

and quick read, so people with not a lot of time can finish it in about an hour! SHARE IT with others! The Princess: This is probably one of the darkest beginnings I've ever read. But in the summary, it says that the first three parts are the authors life and the final is a message to the reader.
