You're Doing Just Fine: Prose & Poetry From A Past That Was Never Present

Synopsis

Take a shower, wash off the day. Drink a glass of water. Make the room dark. Lie down and close your eyes. Notice the silence. Notice your heart. Still beating. Still fighting. You made it, after all. You made it, another day. And you can make it one more. Youâ™re doing just fine. Named after the poem that has been shared over 400,000 times on Tumblr, this is the third book from young author and songwriter Charlotte Eriksson. A collection of prose and poetry with the theme of hope, recovery and finding beauty in the darkness. An exploration of the life of a young artist with an aching heart, urged by a wanderlust that leads and directs, and the simple task of learning how to live with yourself. "Charlotte knows her reader so well that it feels like she's writing my very own journal."

Book Information

Paperback: 100 pages

Publisher: CreateSpace Independent Publishing Platform (December 16, 2015)

Language: English

ISBN-10: 1508984409

Customer Reviews

I posted this review back in June after reading an advanced-released copy of "You're Doing Just Fine" by Charlotte Eriksson. What I said about her writing is still true today. You can't go wrong with her books:I first encountered Charlotte on Twitter. I'm often dismayed by technology and sometimes irritated how gadgets interfere with real human connections. But in this case, I'm grateful for the possibilities that arise from technological long distance connections. Without it, I never would have discovered and experienced the joy of Charlotte's writing.I don't usually go for things like "order my new book" promotions. I tend to read beyond them in my news feed, and look directly for posts from my friends and family. But after a few months of reading Charlotte's post, I was hooked on what she'd say next...what insight she'd share...or what more was there to this interesting stranger.After reading "You're Doing Just Fine" I don't feel like Charlotte is a stranger anymore. I feel more like she

was sitting in the room with me as I read a line and contemplated what she was describing, how she was dealing with the often heaviness of life, or how much I could relate. I was deeply impressed with her word choices and the way she artfully weaved those words together and delivered a message that was entertaining, heartbreaking, and beautiful. I have friends that have tried to encourage me to write more, and that is a great inspiration; but honestly, I hadn't been inspired enough to follow through until I started reading "You're Doing Just Fine." I'm grateful for that too.
