The TANGLED Billionaire Series: Billionaire Romance Box Set (An Alpha-Male, Billionaire, Bad Boy, Bad Girl, Romance)

Synopsis

Three gorgeous brothersâ | One shot at true loveâ | Many secrets to tear their family apartâ | Margo Baxter, Barry Gibsonâ™s department supervisor has always been a great professional and has never given him the right to question her loyalty. However, when Barry finds her diary, he is shocked to his core: Margo has a crush on him. Her imagination is wild and sheâ™s even written down her favorite fantasiesâ | Eddie, Barryâ™s brother is sick and tired of rich, spoiled girls. For once, he seeks something new, wondering if he can escape from his dark pastâ | Gabriel Gibson has been a party animal since graduation. Thousands of miles away from the one and only girl he has ever been in love with, he doesnâ™t know if he can find love againâ | After the brutal murder of one of Barryâ™s employees though, the three brothers will realize that finding love is not as hard as holding on to itâ |

Customer Reviews

It's not just that this was a bad book. It's that it was a bad book that could have been a good book. The following includes spoilers. The entire pace of the book was entirely too fast. One day the guy can't be with the girl but the next day he can be with the girl. The woman (in two of the relationships)

is already in love with the guy, flaws and all, and all the guy has to do is go "Hey I've never really noticed this woman's personal qualities, she's just an employee, but she's in love with me, so I'll be in love with her back. But oh, no. I can't do that to her, my life is so bad, blah blah blah. Oh, nevermind, I'll be in love with her too, even tho I just started talking to her the other day." The only relationship that isn't like this in this book is the youngest brother because the woman is his college sweetheart & she's come to visit New York, so they already know each other. The sex scenes are semi-passable, but move so fast that it ends up sounding like each person has four arms and four legs. There are three scenes near water, but I couldn't figure out if they were in the water or out of it, which sounds like a petty thing to point out, until you realize that your mind has come to the conclusion that they were not in the water, but then all of a sudden the narration says that they get out of the water. There was another scene where I couldn't figure out if they were standing up or not. Again, I realize that it seems petty to be pointing out things in sex scenes, but it's actually really distracting when you're trying to read it. And if I'm going to read a romance novel with a terrible plot and dialogue, then the sex scenes better be good.
