# Tumba (Spanish Edition)

## Synopsis

As the Mexican Day of the Dead celebration approaches, Alex is skittish. He should be excited but his grandma's creepy conversations with returning spirits is nerve-racking. Some say she is a witch and Alex is beginning to believe it. However, the discovery of grandpa's sketchbook could change his mind. Belonging to the genre of language learner literature this is an easy Spanish reader containing just 170 new vocabulary words and many English-Spanish cognates.

## Customer Reviews

I found this one to be the most believable of the author's four books. It deals with issues such as a treasure hunt, an embarrassing family member, and a class bully. The theme is the Mexican Day of the Dead and it's accompanied by many cool photos. It's very easy to read because it is specifically for those learning Spanish.

This book was appropriate for my beginner and second year students to understand. We were able to discuss it easily using more difficult questions for the advanced students. It was basic enough that we could tie the story's cultural elements into more in-depth conversations about the holiday's customs to make a well-rounded mini-unit. The glossary was useful.

Great book! Really enjoyed the story.

Excellent. Very happy. Thank you
