Synopsis

This pastoral resource presents for the first time in Spanish the Third Typical Edition of the General Instruction of the Roman Missal (*Institutio Generalis Missalis Romani*), including the adaptations approved by the United States Conference of Catholic Bishops (USCCB). The General Instruction of the Roman Missal contains nine chapters and a preamble that presents the spiritual and theological context for the chapters that follow. Among the subjects treated in the General Instruction are the importance and dignity of the Eucharistic celebration; the structure of the Mass; its elements and its parts; the duties and ministries in the Mass; the different forms of celebrating Mass; the arrangement and furnishings of churches for the celebration of the Eucharist; the requirements for the celebrations of Mass; the choice of the Mass and its parts; Masses and prayers for various circumstances and Masses for the dead; adaptations within the competence of Bishops and conferences of Bishops. This provisional translation will assist Bishops, priests, deacons, liturgists, musicians, artists, diocesan commissions, parish liturgical committees, and the faithful in understanding what the General Instruction of the Roman Missal (*Institutio Generalis Missalis Romani*) is proposing regarding the celebration of the sacred mysteries at Mass.
