Mercy: A Dark Erotica

Synopsis

WARNINGThere are memories and actual scenes in the story that could be triggers for those who have suffered abuse. I did my best to shelter the reader at the more abusive parts while bringing to life this story of darkness meeting mercy, (who is a woman named Mercy, in this story). So read with caution. **** As a sadomasochist, Sade just wants to get and give pain in manageable and somewhat legal doses. All Mercy wants is to walk in her father's footsteps--a man who sacrificed everything to save her from a life of abuse and suffering. When Mercy finds an envelope on her doorstep leading her to Sade, the result is a collision of pain and mercy. For Sade, Mercy's kindness is dessert for his sadism, and her strength has his masochism hot and begging. Exploiting both for his own pleasure is his plan until he realizes that Mercy's got her own love bites game. And playing it requires something he's never had.

Wow! Very unexpected!This book is raw, real and eye opening to say the least. The journey that Sade & Mercy make is nothing less than remarkable. Individuals that have gone through horrific experiences as the hands of another will fully understand the pain felt by both Sade & Mercy.

Working through pain and emotions is no easy task as they learn each others secrets and try to work through them together. I could feel the raw feelings of Sade's rage thorough the pages it literally had me clenching my teeth! Oh Mercy, her outlook on life and wanting to help Sade while dealing with her past demons as Sade helps her in ways she didn't want to face. I loved how well they were both so broken that they made each other whole. Finding that they belong together and love each other, it gives real people hope for a future no matter what demons we face in real life; a fantastic message! A strong point that I love about this author is that the characters are strong, both the men and women, in mental, physical and emotional. This book just release and I can hardly wait for the duet! Well done Mr. Bane

â œ An Angel with a broken wing, patched together with sheer determination to survive and live and beâ | so f***ing beautiful.â •This isnâ ™t like the other dark erotica books I have read where a mega rich man kidnaps a woman and then they may or may not, through chapters of struggle, find an HEA. No, this book is about raw emotions. This book exercises the demons in us all. Whether you have experienced anything like this or not, there is something here that will strike a cord of recognition. Mercy is a story of two broken souls. One trying to save the other, only to find that they are still broken as well. Itâ ™s a story of two souls that come together to save each other. Pain, anguish, hope, sex. All woven into a beautiful story that shows the reader, no matter what you battle, you can overcome. You can find acceptance. You can embrace your quirks and find happiness. This book had me on the edge of my seat. Holding my breath and guessing what was to come. The anguish is gut-wrenching and palpable. The hope releases that feeling in you where you think anything is possible. You just FEEL this book. I canâ ™t wait to see what Sade and Mercy share with us in part 2.

When an author can create a story with characters that reach out and stop your heart from beating while you find your breath, that author is truly gifted! That is what Lucian Bane has done with this book. Sade and Mercy's emotions were triggers for my own. Their path was unfamiliar to me, but I truly felt their pain and their need to heal each other. DAMN, this book is simply phenomenal!!! I see Sade and Mercy each as a pile of broken pieces. They are individuals that are held together only by their physical bodies because their souls have been so damaged that they are shattered inside. Fate, in the form of a special envelope, brings them crashing together. I knew right then my emotions were in for a ride that was going to gut me! Even though I had read all of the snippets and teasers, there was no adequate preparation for what was to come in this story. And there is no way

for me to even begin to do this book the justice it deserves. Only the very talented Mr. Bane can do that! So, read this as the beautifully created, totally unique love story that it is, knowing that it will definitely steal you away from the real world and throw you into a world you can't even imagine exists. Prepare for the parts that will have you crying and searching the kitchen for your favorite comforting food (mine was s'mores), knowing that Lucian will also provide you with laughs (courtesy of his trademark sense of humor), and plenty of steamy scenes. It's the perfect recipe for my new favorite Lucian Bane novel!

At first I questioned the style of the book and wondered why is this author trying to write a dark erotica? I thought that it would mimic yet another story in this genre. Nope! The storyline seems to grow into something quite unique and kept me on the edge of my seat. It also addresses how differently two people are affected from childhood horror and abuse. It was difficult and emotional to read at times, but these are the parts of the book that develop the characters for us and connect us to them. In the beginning I wasn't sure I would like the book but as the characters developed, and the story grew (there are some amazing secondary characters that you will love and love to hate), I was hooked. It's interesting to watch an author tackle different types of romance genres and do them all well. There are always recurring themes and the same styles of writing in each, but they are all quite different and creative. Hurry up with the next one!

Dark like night, but demons play better in the dark...some demons are in their heads, while others are breathing down their necks...Mercy and Sade are brought together in the oddest way, and yet are truly two damaged souls living in a dark and sadistic part of society....pain, pleasure, torture, fights, longing, deception, trust, sex, and demons of a haunting past will keep the pages turning. Romance...not in any traditional sense, but oh so beautifully broken...you want the glimmer of hope and light that one angel can help defeat some demons...and through the battles, the scars are way more than skin deep. Twisted...it's the most disturbing of ways, but thrilling and chilling to the core...to know the damage done and being on the edge of your seat, reading the danger and temptation fighting to break the small rays of hopes light....the twisted edge of balancing sadism and love, dominance and submission, healing and masochism, the angel to become one with the demon and find a way to the light....but the darkness and twisted demons will do their worst to keep them from finding it. Mr Bane has this way of sucking you in, ripping your heart out, patching it with hope, and shattering your soul, that you're on pins and needles till the next book comes out!! Yes this was gripping and dark, but to see the bits of light and twisted love in its rawest form was spellbinding! A

must read and be on the watch for book two!! #bravo #oncor #mustread #kindlecrack #oneclick
