## Customer Reviews

This was quick but full of emotions! A hot stories you can't resist once you have started reading it. These different stories is like every woman's fantasy, gathered and compiled together to create this one nice book by the author Kathleen Hope. It's like it is one of her fantasies and her girlfriends when they have some girls bonding. The stories will tickle your mind if you are a woman that can relate from the characters of the stories.

Loved all the different characters. Just had to stay up and read them all. Loved it! Just wished some had been longer and will watch for the longer stories. Loved Ms Hope and will continue to watch for her books.

I got this book from my aunt, I read it on her kindle and I had to share my thoughts on it, the book is really amazing the plot is great and the characters are so perfectly described and so realistic that you will feel in love with them from the first time, the books is overall well written and has a great story to tell! I really enjoyed it and I read it really fast since I couldn't let it go until the last page. Great book, well written, excellent characters and plot.

This book is hot. Once you start to read you're hooked. First time reading Ms. Kathleen Hope and she's great. Look forward to more from this lady.

These are short stories there are a few that were in other books I just read so I skipped but the rest were great stories.

It was ok. A typical menage story. I received a free copy in exchange for a review.

A very hot quick read. Can't wait to read more about these characters. Every woman's vacation fantasy come to life.

I absolutely loved this. I always believe the female character is as lovely as the author. I read all her stories.
