The Chalk Circle Man

Synopsis

Jean-Baptiste Adamsberg is not like other policemen. His methods appear unorthodox in the extreme: he doesn't search for clues; he ignores obvious suspects and arrests people with iron-clad alibis; he appears permanently distracted. The Chalk Circle Man is the first book featuring Jean-Baptiste Adamsberg, one of the most engaging characters in contemporary detective fiction. When strange, blue chalk circles start appearing overnight on the pavements of Paris, the press take up the story with amusement and psychiatrists trot out their theories. Adamsberg is alone in thinking this is not a game and far from amusing. He insists on being kept informed of new circles and the increasingly bizarre objects which they contain: empty beer cans, four trombones, a pigeon's foot, four cigarette lighters, a badge proclaiming "I Love Elvis," a hat, a doll's head. Adamsberg senses the cruelty that lies behind these seemingly random occurrences. Soon a circle with decidedly less banal contents is discovered: the body of a woman with her throat savagely cut. Adamsberg knows that other murders will follow.

Book Information

Hardcover: 256 pages

Publisher: Knopf Canada (January 6, 2009)

Language: English

ISBN-10: 0307396878

ISBN-13: 978-0307396877

Product Dimensions: 6.3 x 1 x 9.3 inches

Shipping Weight: 15.2 ounces

Customer Reviews

Jean-Baptiste Adamsberg grew up in the foothills of the Pyrenees, became a policeman at the age of twenty-five, and after a series of promotions and the passage of twenty years, he finds himself as Commissaire in Paris. Back home Adamsberg was something of a legend: "You sit around daydreaming, staring at the wall, or doodling on a bit of paper as if you had all the time and knowledge in the world, and then one day you swan in, cool as a cucumber, and say 'Arrest the priest. He strangled the child to stop him talking.'" Great things are expected of him in Paris, but when he focuses on a case that makes everyone else laugh, some begin to wonder if Adamsberg's

reputation is all hype. Almost everyone in Paris is laughing over The Chalk Circle Man, and they scan the newspapers each day to see what bizarre object has been enclosed in a blue chalk circle. Will it be another beer can? Or how about another trombone? Only Adamsberg doesn't think it's funny, and when the next blue chalk circle is around the body of a woman whose throat has been slashed, people begin to realize that the quirky policeman may not be a hayseed after all. I loved this book. The translation by Sian Reynolds was excellent, and I felt as though I were walking the streets of Paris with Adamsberg. The plot had enough twists and turns in it that, although I'd deduced some things as I read, I was still surprised at the end and laughed with pleasure. Excellent translation, strong sense of place, nice twisty plot... all those things are important, but it's the characters who stick with me the most. Adamsberg who lets no one keep him from conducting investigations his way.
