Customer Reviews

I struggled for days wondering how I'd ever write this, because I'm not sure how to even begin writing a review for this experience. *Seduced in the Dark* is a story that goes so far beyond the act of reading a book; you feel it down into the depths of your soul, where CJ Roberts claws and tears at it until you are left raw and numb beyond reason. You cry as your heart is repeatedly ripped to shreds, you cringe and your gut is wrenched as you feel the pain and shame as if it were your own, you bask in the unrelenting lust, and you melt into a puddle of sheer bliss as you watch two broken, tortured souls attempt to save each other in a way that no one else ever could. In short, CJ Roberts has created one of the most indescribably moving stories imaginable, and I am left in complete awe

of a truly phenomenal and gifted author!! I give it 5 perfect, indescribably sated stars!!"Even Caleb said my love isn't real, but...I feel it. I feel my love for him more strongly and deeply than anything I have ever felt in my life. I think if it turns out they're right and I am wrong...that will break me. Survival...it's the most important thing."When I read *Captive in the Dark*, I was absolutely floored by the way CJ makes you see past all the depths of darkness, right through to the incredible characters she created. The wait for *Seduced in the Dark* was an incredibly long one, I just needed so desperately to know what would become of Caleb and Livvie after all was said and done. But where *Captive* was thrilling, sexy, and twisted, *SITD* is seductive, gut-wrenching, and heartbreakingly torturous. "Make him love you," Ruthless Me, whispered. "Make it so he can't live without you.""I can't," I whispered back. "I tried. He said my attempts are laughable.

This was definitely one of the most gut-wrenchingly difficult, raw, brutal, thought provoking and emotional reads I have ever sat through. There were times I thought I couldn't go on and my resolve was sorely tested. My chest ached, my stomach was in knots and more than once I felt physically sick with the anticipation of what was about to happen. Reading this book I felt that CJ must be one of the most talented writers I've ever read. How she crafted this story and brought it all together left me in total awe. She is a storyteller who certainly doesn't shy away from what she feels needs to be told, even if, at times, this makes the reader uncomfortable and takes them to a place they thought they could never go. The reader is taken from the time Livvie is captured and from there she recounts how her predicament evolved and how Caleb and the others played a part in her story. It was nothing short of brilliant how this story was pieced together. Caleb is still the broken "monster" we met in *Captive in the Dark*. He is hell-bent on his revenge and willing to sacrifice Livvie (Kitten) into slavery just to ensure his task is carried out. I have to admit to having strong feelings for Caleb when reading *Captive in the Dark* (*The Dark Duet* #1). I hated him because I loved him, when really I should have despised him. Nothing changes in this book. I was still questioning my sanity over my feelings for this man. How could I, after what he had done and was still prepared to do, feel so much love and compassion for him? What was it about this man that drew me to him? Oh trust me, there were times when I wanted to knife him through the heart.
