Customer Reviews

I rec'd my shipment much sooner than expected, so that was my first good reaction. I was delighted by the contents. It is categorized by early preschool to adults/teens, there are readings for solo and for theatre and these can be adapted to suit whatever audience/actors available that you have. Clearly explained outline in the production notes with written and diagramed instructions. The scripts are clear throughout the book. Categories from a traditional view to a modern twist on an old story. Very well done and a welcome addition to our home. I will be using one for our Christmas program coming shortly and there's no worry about memorization for this one! My favorite part of this book is

that this treasure trove of plays are royalty free!

Two years in a row we have done Christmas programs out of this book. Lots of options of all lengths and both plays we did had Christmas lessons for the congregation but laughs also. I would recommend this to any youth leader looking for Christmas material.

I really enjoyed looking through this book of plays because it has plays for every age group of people. There are children, youth, adult, men and ladies only plays as well as dinner theater plays. It has a great assortment to choose from and many different time frames so that you can have a short play or one with 3 or 4 Acts. Linda

the book was okay. it wasn't anything like I was looking for. I wish the description was a bit clearer. although the customer service was amazing! I would definitely buy from this seller again.
