# Domine Lo Basico: Ingles: Master The Basics Of English For Spanish Speakers (Spanish Edition)

## Synopsis

This revised self-teaching manual covers the basic rules of English grammar for Hispanic ESL students who already have some facility in speaking, reading, and understanding English. Topics covered include identifying parts of speech, rules for capitalization and punctuation, and correct word usage. Those preparing to take ESL tests will also find a pretest with answers, separate exercises that focus on all parts of speech and verb tenses, and a section that discusses important differences between standard and non-standard or colloquial forms of American English. This book addresses problems unique to speakers of Spanish, with exercises designed to help them express themselves correctly and in a personal way in English. One ESL teacher called this book "a great primer for hesitant learners of English." It reviews fundamentals of English grammar for Hispanic students preparing for ESL tests.

## Customer Reviews

Very nice. Muy claro. Ya compre cuatro de este libro para mis estudiantes reciente llegados de Guatemala. Los ejemplos son buenos, y la gramatica es muy completa. No es un libro para el flojero, es libro para lo que quiere saber bien el ingles. Si quieres no mas de frases sencillas con dibujos, no es su libro, pero si quiere saber el ingles en total en una forma muy bien organizada, esto es para usted.

I'm really happy about this book that shows a simple lesson and makes learning easier this language ...When learning a new language what most want is to understand the basics ... and this book offers this ... I recommend it for those who are beginning the learning of English ...

This book is very good for the Spanish speaker. An easy way to learn. I recommend this this book and the sales company highly.

This book looks helpful, unfortunately the student I got it for dropped out again, so I'm not sure if it helped them. I blame the student not the book.
