Customer Reviews

This book is a collection of Cerise's shorts. I really like this because we get to have so many of her stories in one place. It makes it easier to keep turning the pages to get so realllllllly good mental images. If you like quick erotic books - you will like her stories. If you like taboo books - you will enjoy her stories. If you like well thought out characters - you will really like her stories. If you like all the

above - you need to sign up for her email list so that you don't miss a single one! Cerise is HOT and is pounding away at her computer daily to bring us some enjoyable stories.

I give up! Erotica should be just that--erotic and actually written well. I've read good erotica. Sexy smut that pulls you into a world of naughty thoughts and fantasies. I wish this author would consent to a writing class.

What a great bundle of dubcon stories. I love them all. This is one of my favorite erotica writer.

Quite a few dirty little shorts. All were a bit taboo and not hea but still satisfying in their own way.
