Customer Reviews

Scam! This edition is lacking the "Prologue," which is part of the novel!. How do I get my money back? (Atencion: Falta el prologo)

Personalmente la clase de novelas, cuentos e historias de esa época o ese estilo, no me gustan, aunque de muchos libros españoles que leo para mis clases de literatura española, este definitivamente es el que me resulto "más soportable". En otras palabras, jamás lo leeré a por mi cuenta ni entero, es mejor leerlo por fragmentos y buscar buenas frases que le enseñen "tips de vida" a Lázaro.

realmente les recomiendo este libro. una vez que lo empieza uno a leer no quiere uno parar hasta terminarlo y ademas pues es un libro de pocas paginas, muy ameno y con mensaje desde luego.

The book arrived in excellent state. The book binding is very good and the content reveals life in medieval Spain. This interesting piece of literature is presented in early Spanish.

Lectura obligada para cualquiera que entre en el mundo literario. Este libro ha sido la inspiración de muchos escritores. La cumbre de la novela picaresca.

Este es el tipo de obra que como El Quijote, tiene que ser leída por cualquiera que hable la lengua de Cervantes.

Es muy bueno una vez comiences a leerlo lo quieres terminar

Read it for IB Spanish, which I read La Mancha instead
