Books For Kids: Minecraft Diary Of A 6th Grade Kawaii~Girl (a Hilarious Adventure For Children Ages 9-12)

Synopsis

I am one of the member of the Kawaii~Girls, a group of Popular & cute girls. Me and my Best Friends are moving into Our new home! We're excited to get our rooms set up and meet the new neighbors! It's my first day in the new neighborhood and the only person I know is my best friend (but she might be a little too cute & popular for me). I was just another scrawny kid until a group of kawaii~girls recruited me into their clique. It was a world of trouble I wasn't prepared for, which is why I kept this diary (or "chronicle" as my mum would call it) - to warn other kids about the Insidiousness of becoming a kawaii~girl. They say history is destined to repeat itself... well, not if I can help it. Diary of a 6th Grade Kawaii~Girl is a funny thriller that's entertaining for children, middle school students, and adults.

It exactly gives all the elements that kids need in a book. The elite group of girls and their lifestyle is so exciting to read. Kudos to the author for giving such a wonderful book.

Excellent writing and the pictures are stunning. I love this book! This would be a great gift for a precious reading to any child. I could just look at the pictures all day long. I love taking my grandson on my lap and read to him with exciting stories. The pictures are dreamlike and make you actually believe you are right there with the characters. Thanks for a great picture book!

This was a wonderful story with such a great writing style. It was a nice start to a new series. I absolutely loved it! It was funny and very entertaining. I would highly recommend this for any Minecraft fan or any child. Well done! I can't wait to read the next one!

A very beautiful story of a little girl moving into new area and sequence of events that happens after that. Very simple yet interesting narration that kept my little daughter like it so much. Very good book for kids even adults will like it for sure.

A fast-paced interesting story that is as entertaining as the famous Nancy Drew series for teen girls. The story connects instantly, which easily converts the reader into a die-hard fan of Minecraft Diary. This is a sort of tale that make children love books.
